ACLing 2018

The 4th International Conference on Arabic Computational Linguistics (ACLing) is a series of international conferences devoted to Arabic Computational Linguistics. ACLing 2018 aims to bring together leading academicians, scientists, researchers and practitioners from all over the world to exchange new ideas and the latest results in Arabic Computational Linguistics and NLP. The field

has become increasingly important, as more and more Arabic information is now available through the Web, Social Media and Intranet services. The British University in Dubai invites you to participate in ACLing2018 and we are confident that you will find the program enriching, enlightening and rewarding.

Submission and Publication

Over the past two years the conference has been quite successful and it is expected that ACLing 2018 will follow in same footsteps and become a mature venue of the Arabic Computational Linguistics. All accepted papers will be published in Procedia Computer Science by ELSEVIER, and indexed in Scopus. For the submission guidelines pls. visit the conference website <http://acling2018.org/submission/>).

Submission is electronic using EasyChair (<https://easychair.org/conferences/?conf=acling2018>).
